*The North Building offers two accessible units and four open concept units. Each unit is equipped with a large open kitchen, dining area, living room, bathroom, study and one bedroom.*

*The South Building offers six identical units with a traditional layout. Each unit features an enclosed kitchen area, dining area, living room, and a hallway that leads to the bathroom, study and one bedroom.*

*Behind the South Building is a seating area for the tenants to enjoy the beautiful landscaping and quiet neighborhood.*
